MULLED TART CHERRY APPLE CIDER

A warm cup of mulled tart cherry apple cider got us through last winter, and we hope this winter too. Our favorite blend from 2017.

PINEAPPLE APPLE LEMON MINT with CRANBERRY

“Oh WOW! THAT’S GOOD! What’s in that?” This response is simply what most of our customers say when they try this blend.

SPICY PINEAPPLE

Ginger, cayenne and turmeric added to pineapple, lemon and bit of honey. Sweet and spicy heat will help settle a winter tickle and warm you from within.

TANGERINE

Tangerine is a complex little fruit that give us a sweet and tart punch of flavor. Great for cocktails, sauces, and baking.

One small tangerine can have more vitamin C than a large orange.

CRANBERRY APPLE GINGER

Winter fruit punch! Great to add with your favorite spirit. Wonderful when steamed. A versatile blend that can be served hot or cold.

MULLED CITRUS CIDER

Orange, grapefruit, lemon, apple cider and mulled together with winter seasonal spices of cinnamon, allspice, and star anise.

PEAR APPLE CINNAMON

This pie juice is just like pie. Great as a sparkling mocktail, mimosa, cocktail or warmed up as you get festive ready.
